SoundBits “Cinematic Hits & Transitions“ description:

- The “Cinematic Hits & Transitions“ Sample Library from SoundBits contains 120 cinematic, epic, heavy, impacts and hits and 100 scary, haunting, transitions and movements

- the sounds are perfect for your (mobile-)game-, multimedia-, music- or movie-project

- All sounds are delivered as BWF tagged, 24Bit, 96kHz wav-files

SoundBits “Cinematic Hits & Transitions“ license agreement:

- All sounds included in this library are liable to the following conditions:

1. You get a lifetime, non-transferable, worldwide license for synchronization rights

2. All sounds can be used non-exclusively

3. All sounds can be used in any musical, videogame-related or multimedia context

4. There is no limitation in how often the sounds can be used

5. All sounds can be used on **two workstations** at the same time. Both workstation have to be owned by the same person or business

6. All sounds have to be saved on local harddrives (internal, external) and may not be stored on any web-based storages

7. All sounds can be edited combined without limitations
