Chained The Monster

When I look in your eyes again
I get trapped within you again
How come I am the one who's enslaved by you now?
Then I hear you whisper to me
That you never will leave me be..
I can feel my body echoing for you now.

Do you know what you do to me?
It's like a fantasy I wanna never leave!
But isn't it a little funny that you're the one controlling me?

[Chorus]
You've turned the tables on me now
You've trapped me in your cage somehow
I can never escape from you, but baby, that's alright!
You've chained the monster deep inside
This sick and sinful body of mine
But you better be ready when you lay with me tonight~

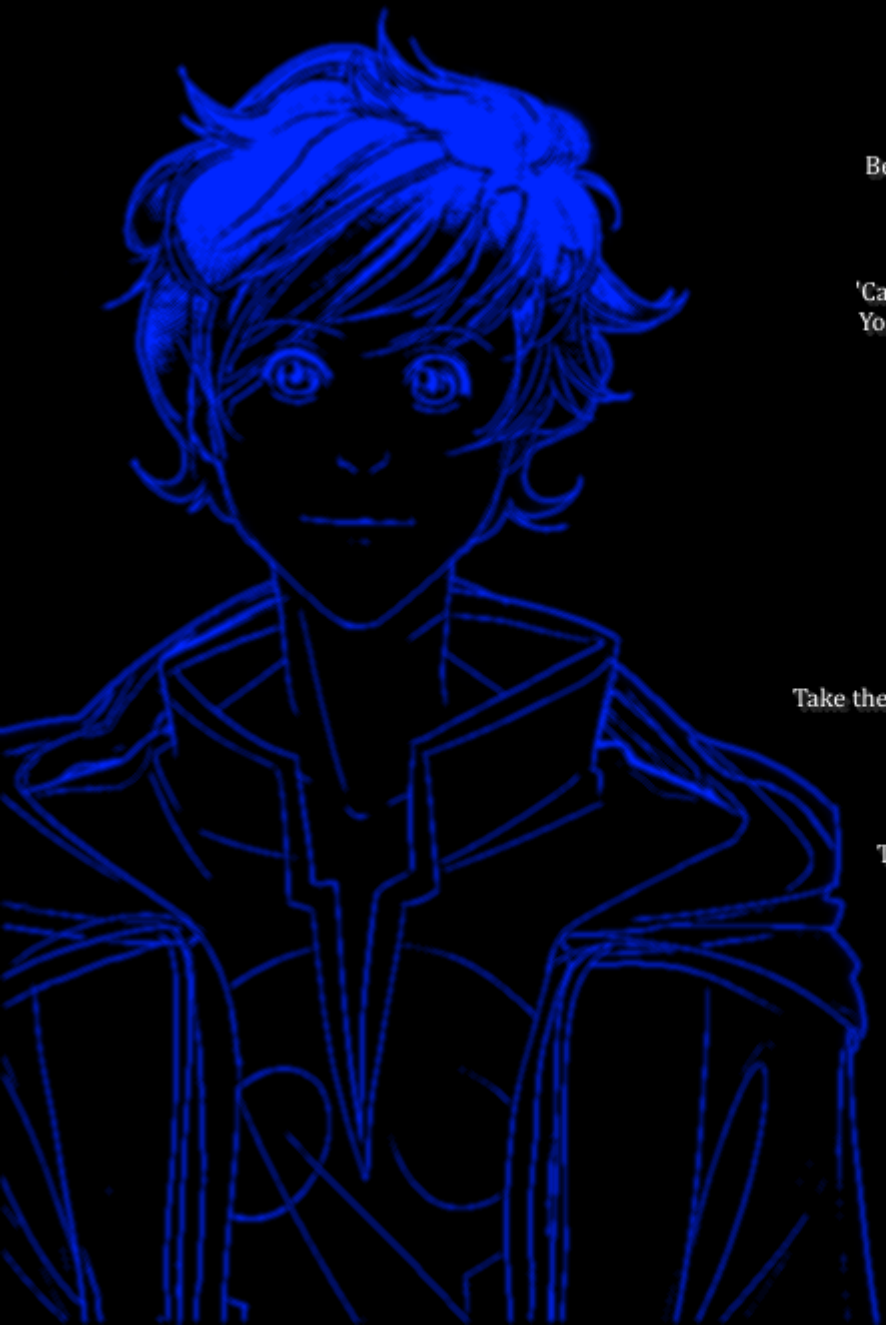
You still keep teasing me again
I keep falling for you again
Why am I still here as a prisoner for you now?
Then you smile and let me know
That you never will let me go..
I hope that you're ready for the beast in me now.

Can't you see what you do to me?
It's so unreal to me! Please never leave me be!
But still, it's little funny that you're the one controlling me!!

[Repeat Chorus]
Prepare to Scream My Name Tonight!

[Instrumental]

[Repeat First Bridge, then Chorus 2x]
Prepare to Scream My Name Tonight!



Fly High

Innocent Ignorance
Tell me: Did you get your way?
Sing your sweet melody.
Bear the burden of the choices that you made.

Go on. Chase the morning with your heart.
The worst is over now. You're moving on.
'Cause in the end. When your story's over, then
You'll love the path you've walked on all along.

Fly high. Let your fingers touch the sky.
Your journey's far from over.
There's a million stories left to write.
Be free to explore the life you seek;
to embrace the love you carry.
Know the choices that you made were right.

If you find regret inside,
Don't let the pain take over your life.
Soon you will see that you are free.
Take the future in your hands now! It's in your sight.

Go on. There's no better time to start.
Your path is clearer now, urging you on.
Don't be afraid. All the fear inside will fade.
The trials that you face will make you strong.

Fly high. Feel the wind blow as you fly.
Your journey's not yet over.
There's a hundred battles left to fight.
Be free to be who you want to be.
Love, you have just one life only.
Know the choices you make are right.

Fly high. Let your fingers touch the sky.
Your journey's far from over.
There's a million stories left to write.
Be free to explore the life you seek;
to embrace the love you carry.
Know the choices that you made were right.
