Saving:

To save your progress you most place an ink ribbon on a Type-writer.
Ink ribbons can be found in various places through-out the game.
Once you found an ink ribbon stand in front of a type-writer and
press the use button to save your progress.

Inventory menu:

ITEMS:

After highlighting the item you want to use,
Press the USE button.You then have 3 options
in the command windows USE,CHECK,EXIT.

USE:

To use the item, highlight USE
and press USE button.

CHECK:

This option allows you to examine an item you have acquired.

EXIT:

If you want to return to previous menu, highlight EXIT
and press the USE button or press C to return.

CONDITIONS:

In the inventory menu next to your character's mug shot is an electrocardiograph.

This ECG shows the current condition of your character, and will read "FINE" or whatever the status of your character is.

To return your character to better health, you must fine medicine.

Medicine(health) items:

Medkit: Replenish full health, can be found in various locations through-out the game.

Pills: The most common to find, restores a small amount of health.

SURVIVAL TIPS:

The supply of ammos & ink ribbons is very limited,
use them wisely.

Some of the enemies can be bypassed if you're quick,
so try escaping from them whenever you can.
Pick your battles carefully in order to save ammo for
the more powerful enemies.

Listen for your enemies.
Sometimes you can hear them before they approach you.
