Walkthrough

Be advised. Below is a complete walkthrough of the normal game. Any secrets or unlockables you need help getting after what is shown here is up to you.

How To Escape
1. Living Room- Grab the MUG from the table and the SCISSORS from under the sofa.

2. Kitchen- Put the MUG into the sink. Use the SCISSORS on the cabinet under the sink.

3. Child's Room- Pour water from the mug onto the dirty PLIERS. Pick up the PLIERS.

4. Kitchen- Use PLIERS to grab KNIFE from out of garbage disposal by using them on the sink.

5. Master Bedroom- Grab a HANGER from the closet. Cut the painting from it's frame to reveal the hidden safe with the KNIFE. Enter the combination "1173" into the safe. (Combination is on fridge. a=1, q=17, c=3)

6. Upstairs Hallway- Use the HANGER on the rope dangling from the ceiling to drop stairs.

7. Attic- Use the BLUE KEY to open the attic door.

8. Attic B- Start cracking the safe. Whenever you hear the click sound (not the dial turning sound), press Z to change the dial's direction. Do this 3 times to open the safe. Pick up the GOLD KEY.

9. Living Room- Unlock the outside door with the GOLD KEY. Leave
