ROLY POLY

A ROLLING ADVENTURE GAME

CONTROLS:

Move - W A S D

Rotate - (MOVE MOUSE)

Roll - CTRL

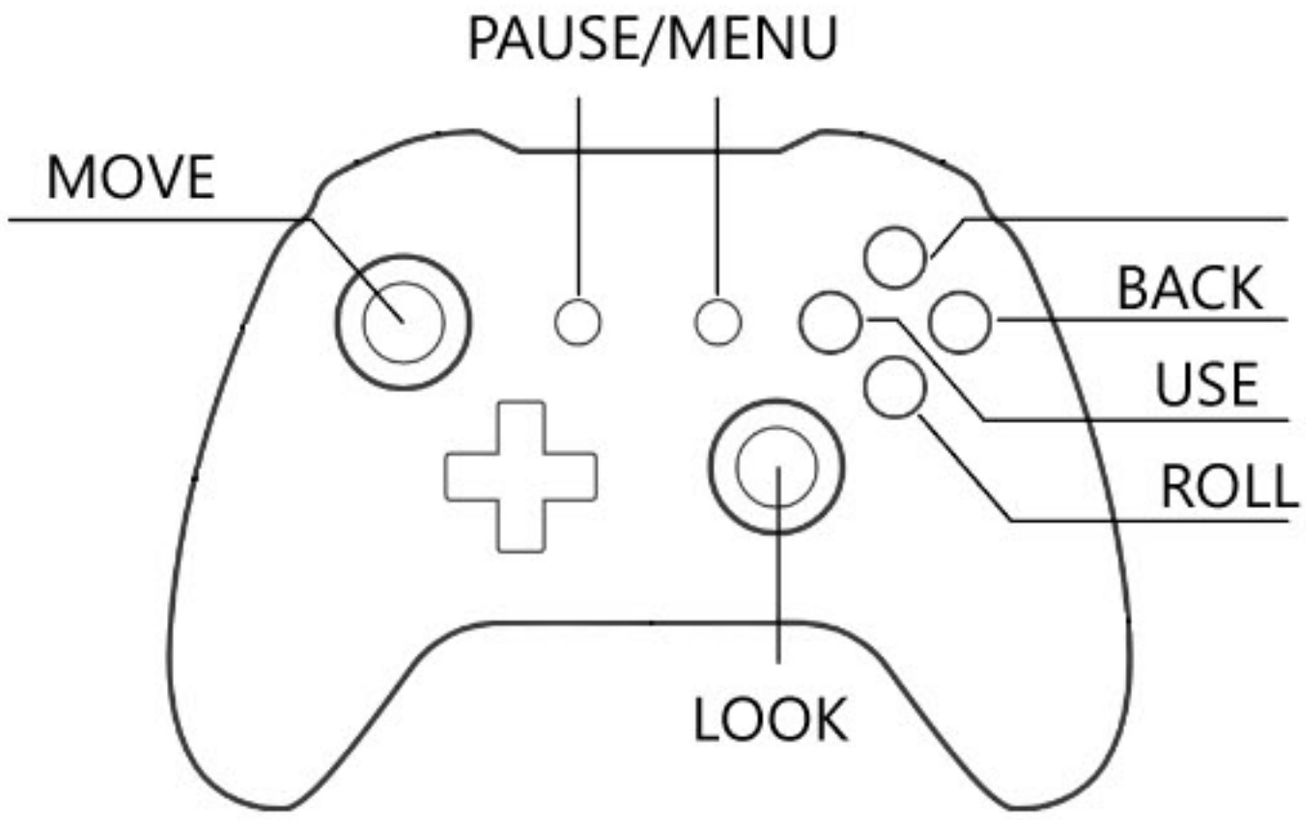
Click - (LEFT MOUSE)

Activate - E

Menu/Pause - TAB ESC

PARTIAL CONTROLLER SUPPORT:

You still need to use mouse to
click buttons but can be controlled
with most controllers (Playstation, xbox, etc.)



TIPS:

- There are 4 different endings to find.
- Every time you find an ending, everything resets.
- Hold E to eat foods.
- Has auto save but you can save manually too.
- You can walk on water just don't stand on it too long.
- If you drown or fall into the unknown you will restart at the beginning point, no progress will be lost.
- Rotation speed can be configured in the settings.
- Cave scenario might be overly spooky for some.
