RULES

Reach the highest score in each of the levels by destroying the maximum number of ships and asteroids possible.

Ships with weapons will steal points from you, figure out and use a strategy to avoid that.

Every level at the start had fixed amount of ammons for each weapon and rewards are proportional to your performance.

WEAPONS

LASER

Left mouse: simple laser with unlimited ammos, 10 damage

FIREBOMB

Space: damage

weapon, 200 damage

PURPLE SPRAY

1: stops and disarms the enemy for 3 seconds

In the next release will be present all the weapons and 50 levels.

Enjoy!
