

Weapon

Welcome to the official Bloodway Infinity weapon guide. With the help of this guide you can learn a lot of useful information for you. You will learn

Assault rifle M4

Excellent weapon both in the initial stages and at the end. If you want to learn how to play bloodway Infinity professionally, we recommend this weapon. The magazine has only 20 rounds, but it is very common. It is possible to take two M4 machines at the same time. It doesn't have a silencer, so you won't be able to use it in stealth mode. The high rate of fire of this machine gun indicates that it is a very good thing to use it in large skirmishes.

- + High rate of fire
- + Possibility of taking in both hands
- + Extremely common
- + Does not require special skills in shooting
- Some cartridges (for the machine gun)
- Cannot be used when playing in stealth mode
- No optical sight
- Poor shooting accuracy

Double M4

A great choice if you are going to clean up a large building. In the store has as much as 40 rounds and has the ability to fire sideways, but because of the too high rate of fire, spends a lot of ammunition for nothing. Since this machine shoots sideways, it can shoot up to two opponents at a single click.

- + Large number of cartridges
- + Occurs quite often
- + High rate of fire
- + You can hit 2 targets in one shot
- + The ability to fire to the sides
- + Does not require special skills in shooting
- Cannot be used when playing in stealth mode
- Poor accuracy
- The rate of fire is too high
- No optical sight

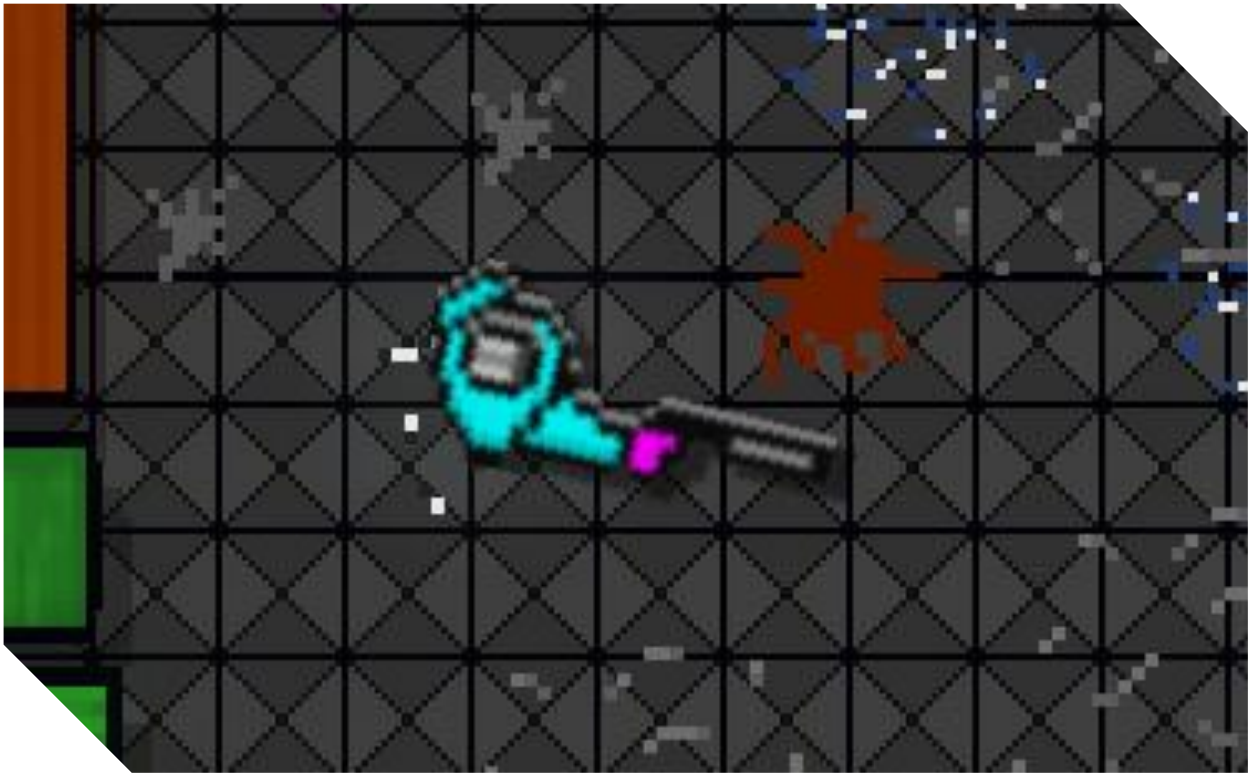

Pistol

It is well suited for those who shoot rarely, but accurately, as they shoot single shots. The store has 12 rounds, if you try very hard, you can completely pass the entire level using only it. It takes the first place in the range of ejection, and this is a very big plus. Just like the M4 machine, it is possible to take it in both hands. It is extremely common and does not require special shooting skills, but it is worth practicing.

- + Single shooting
- + Possibility of taking in both hands
- + The highest range when throwing
- + A large number of cartridges (for single weapons)
- + Extremely common
- + Does not require special skills in shooting
- + Good shooting accuracy
- Cannot be used when playing in stealth mode
- Poor rate of fire
- No optical sight

Pistol with silencer

Exactly the same as a normal gun, but has a silencer and is quite rare.

- + Single shooting
- + Possibility of taking in both hands
- + High range when throwing
- + Large number of cartridges (for single weapons)
- + No special shooting skills required
- + Good shooting accuracy
- + There is an optical sight
- Cannot be used when playing in stealth mode
- Poor rate of fire
- It is quite rare

Double pistols

Excellent and very effective weapon, great for clearing buildings. There are 24 rounds in the magazine, which is a lot for pistols.

- + Large number of cartridges
- + Good accuracy
- + Occurs quite often
- + You can hit 2 targets in one shot
- + The ability to fire to the sides
- + Good range when ejecting
- + Does not require special skills in shooting
- Cannot be used when playing in stealth mode
- Poor rate of fire
- No optical sight

Baseball bat

Edged weapons that are suitable for the initial stages, but only professionals will play with it on difficult levels, since you need a little training. With it, you can not only pass the level for stealth, but also for accuracy, since its strikes are not considered as misses.

- + It is possible to play in stealth mode
- + Good accuracy
- + You can hit 2 targets in one hit
- Cannot be used when playing in stealth mode
- Small radius of the attack

Scrap

Scrap is identical in its properties to a bat, but it is much more common.

- + It is possible to play in stealth mode
- + Good accuracy
- + Occurs quite often
- + You can hit 2 targets in one hit
- Cannot be used when playing in stealth mode
- Small radius of the attack

Knife

The knife is also similar to a bat or scrap, but when thrown, it is possible to kill the opponent.

- + It is possible to play in stealth mode
- + Good accuracy
- + You can kill the enemy by throwing
- + You can hit 2 targets in one hit
- Cannot be used when playing in stealth mode
- Small radius of the attack
- Extremely rare

Shotgun

The shotgun is a very effective weapon, despite the fact that it has only 4 cartridges in its magazine, with it you can very effectively destroy several targets, since when shooting it hits several targets at once. However, despite this, it does not have the ability to shoot in stealth mode.

- + Good accuracy
- + A long range attack
- + You can hit 5 targets in one shot
- + Does not require special skills in shooting
- No optical sight
- Cannot be used when playing in stealth mode
- Long recharge
- Not enough ammo

Revolver

A revolver can be both a powerful and quiet weapon. The fact is that it has a silencer that can be unscrewed at any time.

- + It is possible to play in stealth mode
- + Good accuracy
- + You can hit 2 targets in one shot
- + Good range when ejecting
- + Does not require special skills in shooting
- No optical sight
- Not enough ammo

Uzi

Uzi is a weapon that has a laser pointer, meaning it will be much easier to aim with it than, for example, with an M4 machine gun. It also has relatively more cartridges than the m4, but the ultrasound does not have the ability to take two hands at the same time.

- + Large number of cartridges
- + High rate of fire
- + Good accuracy
- + A long range attack
- + Good range when ejecting
- + Does not require special skills in shooting
- + There is a laser pointer
- + Quite a lot of ammo
- No optical sight
- Cannot be used when playing in stealth mode
- Extremely rare

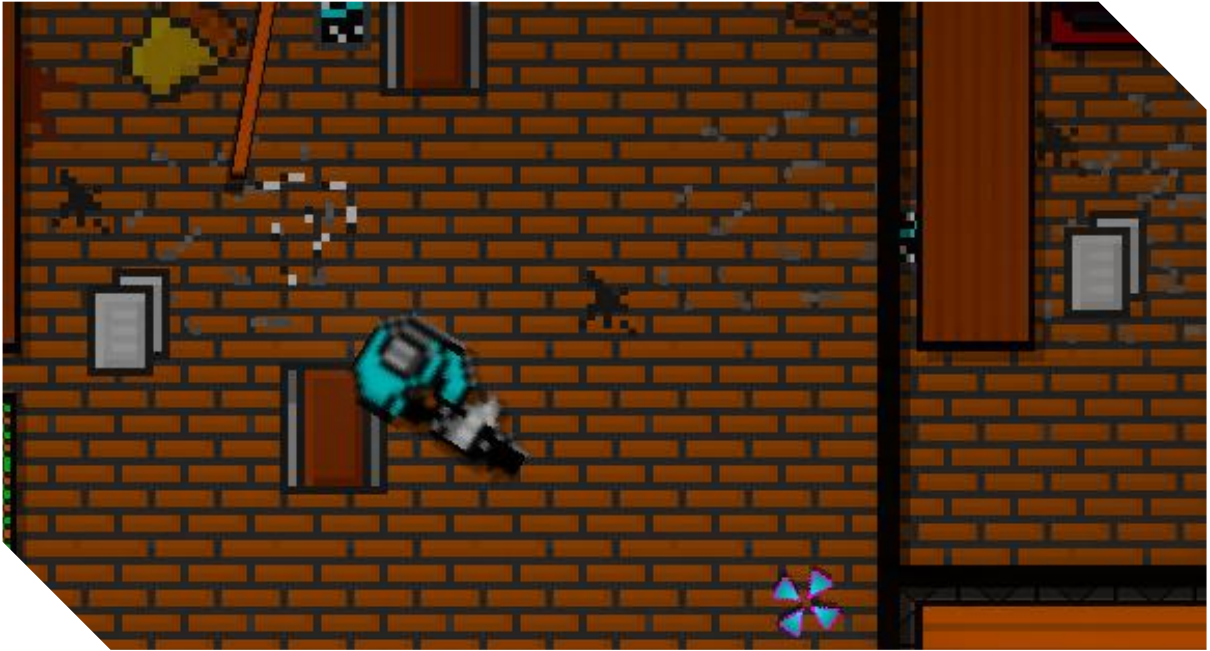

Uzi with silencer

Very similar to its brother-Uzi with a laser pointer, but instead has a silencer.

- + Large number of cartridges
- + High rate of fire
- + Good accuracy
- + A long range attack
- + It is possible to play in stealth mode
- + Good range when ejecting
- + Does not require special skills in shooting
- + Quite a lot of ammo
- No optical sight
- Extremely rare

Muchinegun

Weapons that are very well suited for cleaning large buildings, but the disadvantages are that the cartridges run out very quickly.

- + Large number of cartridges
- + High rate of fire
- + Does not require special skills in shooting
- No optical sight
- Cannot be used when playing in stealth mode
- Poor accuracy
- The rate of fire is too high

VSS

If you can call it that, it's a machine gun with a silencer and a telescopic sight. VSS-a rifle that shoots quickly, but has only 10 rounds in the store, although this is more than enough for a rifle. + Large number of cartridges

- + High rate of fire
- + It is possible to play in stealth mode
- + Good accuracy
- + A long range attack
- + You can hit 2 targets in one shot
- + There is an optical sight
- Not enough ammo

Large-caliber rifle "Elephant»

This rifle can shoot up to 5 targets simultaneously, but it only has 4 rounds and takes a very long time to reload. To shoot effectively with it you need to learn, and also with it you will not be able to pass the level covertly.

- + Good accuracy
- + A long range attack
- + You can hit 5 targets in one shot
- + There is an optical sight
- Cannot be used when playing in stealth mode
- Long recharge
- Poor rate of fire
- Not enough ammo
- Poor flight range when ejecting
- You need shooting skills

RPG

Extremely powerful weapon that can kill up to 10 opponents at once, but to do this you need to try hard. The only weapon in the game that has only 1 round and can kill the player.

- + High power
- + Low bullet speed
- + Can kill up to 10 opponents with one shot
- Can kill the player
- When you throw it out, it doesn't fly at all
- Only one charge
- Extremely rare
- No optical sight
