

Algebra Ridge Manual

Story Mode

To start playing the story mode, use your mouse to click on "New Game". In order to advance text and progress in the story, use left-click anywhere in the screen.

Saving your progress

Your progress throughout story mode will be automatically saved during specific sections of the game. An icon will appear on the bottom-right corner of the screen with the text "Game Saved".

Loading your save file

In order to load a saved file, click on "Load Game" in the game's main menu screen.

Exit game

In order to exit the game, use the "Esc" key. Remember that any unsaved progress will be lost.

Game Mechanics

Smartphone

During your story mode adventure, you can use mouse scroll up and down in order to pull out and put away your phone. By using your smartphone, you are able to see the time (in the game's story), your maximum amount of lives and maximum amount of time in seconds for every questionnaire.

Settings

Music and Sound Effects

Use the sliders in the settings menu to change the volume of the music and sound effects. Each of these sliders can be found below their respective labels.

Fullscreen

In order to enter fullscreen, use the slider underneath the label to turn it on or off.
