The Story

The year is 2020. An apocalypse has transformed life on Earth as we know it. Survival is hard, but people have persevered thus far. Humans are scraping-by while trying to rebuild.

Suddenly, this moment of weakness is seized upon by a faction of power-hungry aliens from another galaxy. Their leader arrives on Earth and issues a challenge. The aliens wish to face Earth's best in both civilizations' favorite cyber-pastime -- Cyber Badminton.

Former Cybergames champion Kai Ashira answers the call to stop the marauding aliens. Will she succeed?

Characters

Kai Ashira
Augmented Human

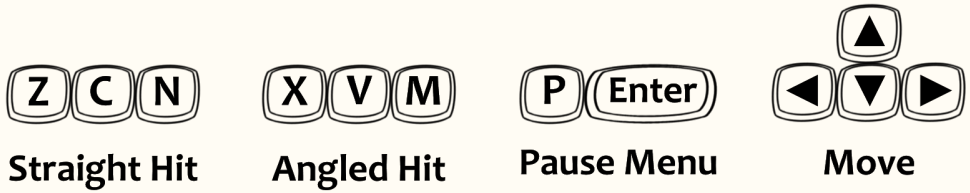

After a historic three consecutive wins in the Cybergames, Kai Ashira retired as the most dominant Cyber Badmintoner to have ever lived. Her legacy is still being written...

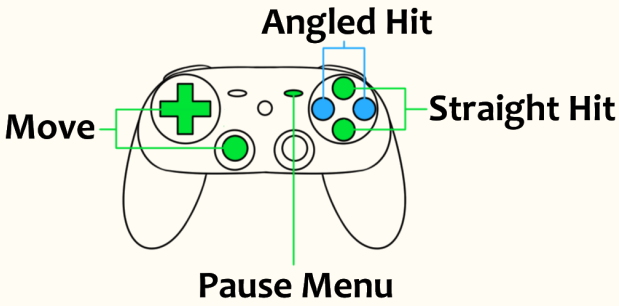

Alien Leader
Badminton Enthusiast

Known as the most ruthless Cyber Badmintoner among his kind, there's no shortage of tricks that this tentacled terror will unleash.

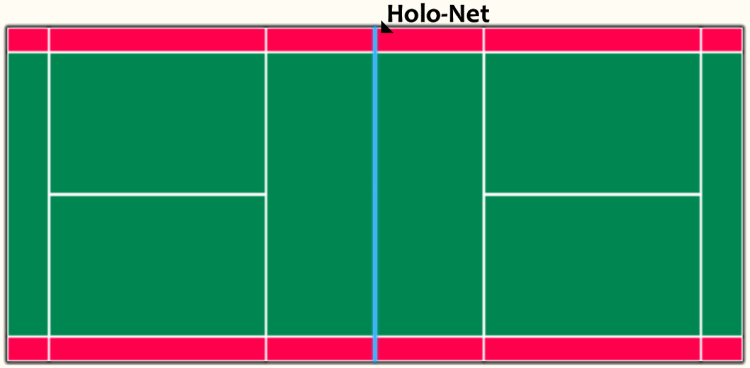

Controls

Basic Rules

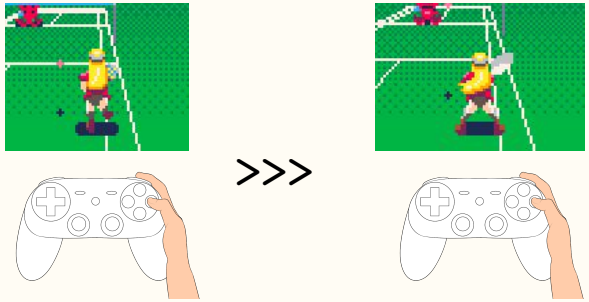

- When the birdie lands on the court, a player takes damage.
- If the birdie lands on the opponent's side in the green section below, the last player to hit the birdie wins the rally. If it lands in the red section, their opponent wins the rally.

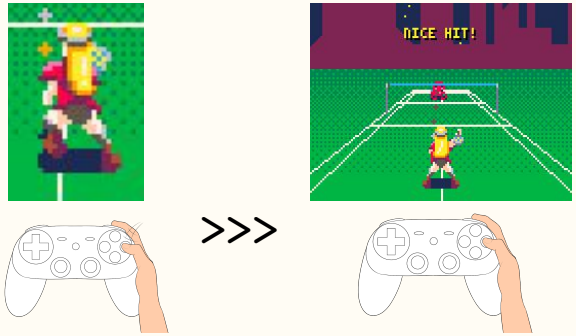

- The serving player is the previous rally winner.
- When a player's HP is 0, their opponent is declared to be the winner of the match!

Advanced Strategies

- Hold down either button when the birdie is near for a surefire return!

- When the birdie is close to Kai, time your button press for a nice hit!

- Align Kai's shadow with the birdie's to line up your hits!
