

"Cabaret 4 Card" is a card game where two players fight. First, four cards are dealt. The first attack and the second attack are decided automatically.

means you

First, which card to submit
Please click to select.

means you

For this explanation, I chose the "WIN" card.
Next, choose whether to submit
to the left or right.

means you

I submitted it to the right.

means you

The opponent submitted the "LOSE" card to the left.

Looking at the letters in the center, "LOSE", means you "WIN".

means you

I have a "LOSE" card, so
Submitting a "LOSE" card wins me.

means you

Similarly, for example, the central letter
"LAST CARD" means you "LOSE",
When you submit the "LAST CARD" card, it
will be "LOSE".

means you

Also, this game uses a total of 8 cards.
The 8th card submitted by the two of us, and
the last one in order is also "LAST CARD".

LAST
CARD

CABARET
4CARD

means you

LAST
CARD

CABARET
4CARD

The "LAST CARD" card can only be submitted
on the left side.

The introduction of the rules is over.
