Obviously, there are spoilers here. This is my first every game and hope you enjoy playing it as much as I enjoyed making it!

This is a step by step guide on what to do in Cassidy.

Chapter 1:

- Start the game, and walk straight to bedroom 2, using M for your map.
- Place your laptop, phone and bag
- Using your polaroid, go take at least 2 photos, and collect 2 newspapers
- Eventually, the lights in the manor will turn off.
- Go towards the kitchen which is off the Dining Hall
- Turn on the work lights using the power switch on the wall
- Head back to bedroom 2 to pick up your flashlight
- Wait up to a minute, your phone will start ringing
- Head towards the study
- Now head towards Bobbys room on the bottom floor
- Hide in the closet, and when Grandma leaves collect the key
- Head towards the bathroom, and collect the key hanging on the rope
- Head towards the main bedroom, open that and go through the cutscene
- Inside the main bedroom is a strange artifact on the right hand desk when facing the door inside the room
- Go to the study and collect the other strange artifact that is on the left as soon as you walk in
- Combine them
- Head towards the library and use the strange artifact on the shadow puzzle
- Go back to the study and go through the bookcase
- On the door on the right is the code, go enter it and go to the basement.

Chapter 2:

- Collect the night vision camera
- Head through the basement avoiding the enemies
- Once through the basement, collect the flashlight from the reported and head through to the caves
- Ignore the right hand path and go straight through
- Make your way through the cave, and when you get to a section with 3 possible directions, go right
- Crawl through
- At the church, walk in and read the book

Chapter 3:

- Head down the hill avoiding the enemies
- Go in the house and head upstairs
- Go to the room to the right, where you're taking to a new area
- Collect the corner of the photo
- Head downstairs once back in the room and go through the front room
- Go left to the house next door
- Upstairs, collect the note on the rocking chair, then collect the next corner of the photo
- Go to the right hand house of the original house, and find the door that needs to be knocked on. Knock 3 times
- House after that, walk through avoiding the enemies to find the last piece of the photo
- Once done with that, combine all the photos and go to where it is on the map, next to the lake
- Collect the key under the rock and go through that gate
- You're now collect Cassidys 5 toys:
- Right hand house of the gate, avoid the enemies
- Church

- Graveyard
- Following the path you'll hear some crying and a flashing light. Follow it
- Hut behind the cemetery
- Place them on the pentagram
- Finished!
