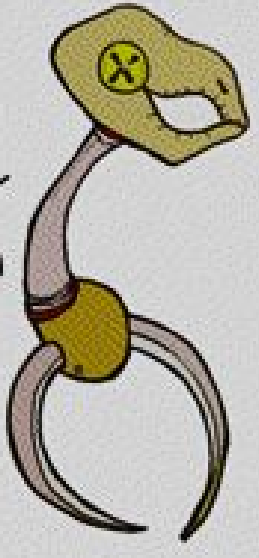
The Incarnations

◦ Coolie

A jobless pleb
who has
recently
quit their pills.

◦ Fictionist



Telepathic medium
that exchnages
ideas inplace
of intimacy

◦ Noshka

A quardaped
of the second
age

Notables

◦ Ermm

A shapeshifter who can take on the very likeness of the world

◦ Animo

A small portion of self-aware insanity that dwells in the brain tissue of pestilent insects

◦ Chat Cat

Street smart informant on the inferno

◦ Heavenly Hosts

Residers of the time relinquished realms of peace

The Denizens

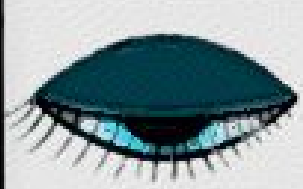
NEO-NIGERIAN

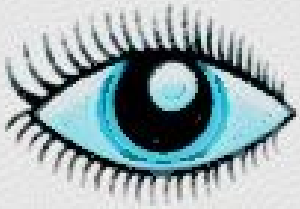
The general resident of dog country that appears in a myraid of guises. Though they pose no threat it's better not to leave witnesses

#1T-LISTER

Story specific targets designated for their off-screen actions. Their list of names can be accessed through the phone menu

Tips and Hints

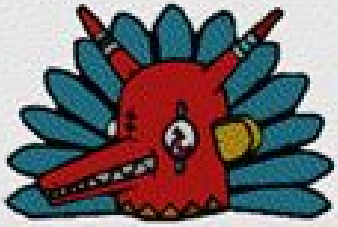




- Use the mouse to uncover hidden elements. An open eye indicates a secret in waiting

- Check your Chat Cat for messages

- There's no shame in running away from what you can't defeat



Past Games

Middens

A nomad chances upon a sentient gun at the threshold of a living landscape

Gingiva

An automaton searches for her original head within the city land-fills
