Story

With rival factions struggling for power and the land embroiled in chaos,
the flowers of war are once again ready to bloom.

Some head to battle in the quest for the Heirloom Seal of the Realm,
while others simply wish to test their might.
Another still is on a journey to find the ultimate dish for their lord...

Standing in their path are the mightiest warriors the land has ever seen!
And all they have to help them overcome the challenges
that face them is the power that resides in their souls!
What glory awaits those who have the strength to conquer
the mighty foes that test their resolve, and claim that which they desire?

The curtain is about to open on the stage where the winner takes all,
and the difference between victory and defeat is often razor-thin!

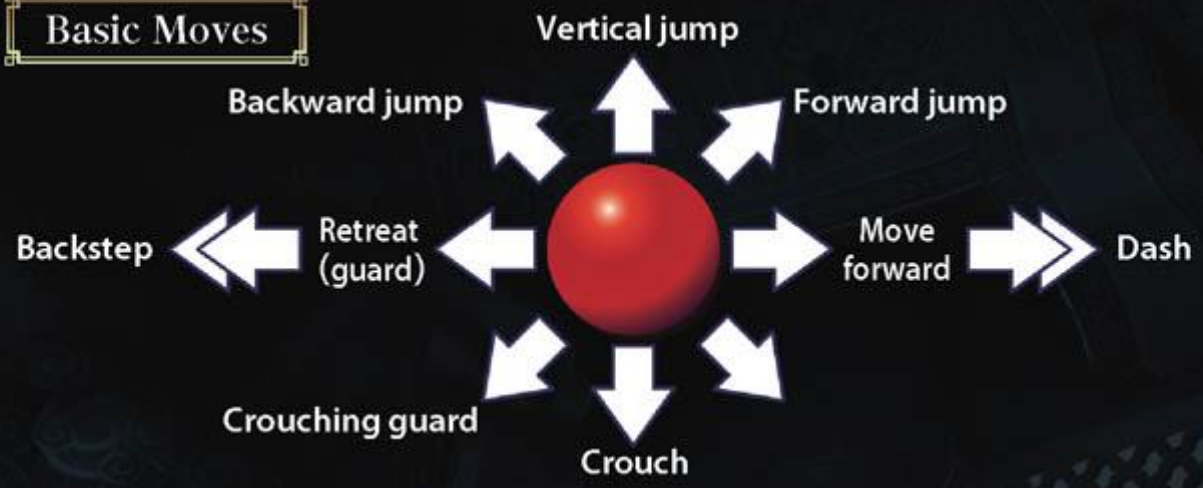
Basic Moves

Begin by learning the basic moves

Basic Moves



*As this is a fighting game, an arcade stick has been displayed. The arcade stick corresponds to the "left stick" or the "directional buttons."

Throw

While near opponent

Throw Rejection

When opponent executes a throw

Air-Recover

When knocked in the air

*Controls are for when character is facing right.

Special Rules

First Attack

When you land an attack before your opponent does after the round begins, you will receive one additional Tactics Bar as a bonus.

Special Down

Any counter hit from a move with a Special Down attribute will result in a special type of knockdown.

Until your opponent is knocked down, they can be hit with normal moves and cancels into special attacks.

There are three special types of knockdown; "slam," "blow away," and "lift off."

Common Hougeki Attacks

Hougeki Combos

When using a counterattack that contains a Hougeki attribute, a special hit effect will be generated, and you will have the chance to execute a Hougeki Combo.

During a Hougeki Combo, you can execute one move with each of the three attributes “slam,” “blow away,” and “lift off.” *

If you use a “lift off” attack to trigger the combo, you cannot use a “lift off” attack again.

Moves Using the Tactics Bar

Tactics Bars

Tactics Bars are filled by landing attacks on your opponent and by blocking your opponent's attacks. Once filled up, a certain number of Tactics Bars can be used to generate powerful attacks or to summon your strategist.

A maximum of four Tactics Bars can be stocked!

Summon Strategist

(uses up one Tactics Bar)

Your strategist (support character) will execute an attack. Can be used to counter enemy attacks or to assist in combos.

EX Special Attack

(uses up one Tactics Bar)

Enables you to execute a more powerful version of your Special Move.

Ougi

(uses up three Tactics Bars)

Turns you invincible for a short time as you execute an extremely powerful move. Even when blocked, it will still allow you to seize the advantage in battle.

Hiougi

(uses up three Tactics Bars)

Enables you to execute a move which will defeat your opponent with a single blow. Cannot be executed after canceling.

Shokatsuryō Kōmei

Real name: Shuri Voice: Erika Narumi

Revered along with Hōtō as one of the greatest strategists of the age, she is known as the Sleeping Dragon. She wishes to dedicate her wisdom and cunning to the cause of making the world a better place. She can use the tactic "Southeast Wind" to trigger whirlwinds.

Hōtō Shigen

Real name: Hinari Voice: Yūko Gotō

Famed strategist from the same school as Shokatsuryō, and known as the Fledgling Phoenix. Shy and retiring, she wears a brimmed hat pulled down low over her face. She can use the "Tactic of Linkage" to bind her enemy with chains.

Jun'iku Bunjaku

Real name: Keifa Voice: Oma Ichimura

Strategist of Gi, unfailingly loyal to Sōsō. Disdainful of those with lesser intellects, she loathes Kakōton in particular. Ironically, she behaves much like Kakōton by often acting impulsively in the name of supporting Sōsō. She can use the tactic "Gloomy Torture" to capture enemies in an invisible trap.

Tei'iku Chūtoku

Real name: Fū Voice: Hyo-sei

Laconic and easygoing strategist of Gi. Normally relaxed and unfocused, when it comes time to propose a strategy, she is cold, calculating, and entirely devoid of emotion. She can use the tactic "Houkei Collider" to bring down a lightning bolt on the head of a doll.

Shūyu Kōkin

Real name: Meirin Voice: Kei Mizusawa

Leading strategist of Go and close friend of Sonsaku. A central figure of Go, she combines military strength with political astuteness. A realist, she considers all matters from the perspectives of "reason" and "long-term benefit." She can use the tactic "Flame of Shūyu" to trigger a conflagration in front of the enemy.

Ryomō Shimei

Real name: Āshe Voice: Kaori Mizuhashi

A low-ranking bureaucrat serving Sonken. Her sharp-eyed appearance makes her seem aggressive and unapproachable, but this is in fact due to her myopia, and not any actual personality trait. Self-conscious regarding her appearance, this has led her to be shy and somewhat unfriendly. She can use the tactic "Hit by Ryomō," throwing multiple weapons concealed up her sleeve at the enemy.

Chinkyū Kōdai

Real name: Nenene Voice: Michiru Yuimoto

Ryofu's strategist, she is utterly devoted to her, and accompanies her wherever she goes. Her inexperience and childishness often leads to her strategies being seen through by opposing strategists. She provides support for Ryofu with her special move, "Chinkyū Kick."

Kaku Bunwa

Real name: Ei Voice:Akane Tomonaga

The hot-cold running strategist of the Tōtaku army and Tōtaku's childhood friend.Has terrible misfortune some days, and is often at the mercy of unfortunate events. Freezes enemies with a pillar of ice which reaches up to the heavens.
