SPIDER INFERNO Short Tutorial

The primary goal is to destroy all spiders and the professor.

In 8 missions and 2 bonus levels all spiders and in level 8 the mother spider and the professor should be eliminated.

Now you come into play:

1. Prevent the spiders from spreading further.
2. Fight back all the spiders.
3. Secure the lab.
4. Save the professor.
5. Destroy the Professor.

Commander, priority is to destroy all spiders and the professor.
The spiders can only be defeated with weapons.

The new planet Earth One must be freed from the alien spiders.
Otherwise there is a risk of destruction and global collapse.

That's why we make you, Commander, the savior of humanity!
