MODERN DAY - HAZARD SIGNS

This asset pack contains hundreds of hazard signs across six categories: Danger, Emergency, Fire, Mandatory, Prohibition and Warning. Each sign is available in both clean and rusty styles. Most non-Danger signs are also presented in icon-only versions for situations where you don't want to see any text, including games set in non-English speaking locations.

HAPPY GAME MAKING

Thank you so much for buying the Modern Day - Hazard Signs
asset pack. I hope it contributes in some small way to making
your game.

Cheers,
