VR Karts - Early Access

Thanks for buying VR Karts on steam early access. With your help we can make VR Karts a great showcase for VR.

If you have encountered any problems when running VR Karts please follow the steps below:

Make sure you have the latest Oculus runtime. Please download this here:

https://developer.oculus.com/downloads/

Check you are running an up to date Direct X installation. If this is up to date and you still have issues running the game then please use the DirectX End-User Runtime Web Installer (https://www.microsoft.com/en-gb/download/details.aspx?id=35)

If you have any further issues running VR Karts after following the steps above then please contact.

support@viewpointgames.co.uk

You can also leave a comment in the appropriate VR Karts forum on steam.

Thank you for playing!
