SAFETY PRECAUTIONS

Please take time to read the important instructions in this booklet. Observing the step-by-step instructions and complying with the warnings will be your personal guarantee to greater satisfaction over a long period of time.

SAFETY PRECAUTIONS

1. **Avoid subjecting this video game to extreme temperature variances. Store at room temperature.**
2. **Do avoid touching terminal connectors. Keep clean by inserting video game into protective storage case.**
3. **Never attempt to disassemble your video game.**
4. **Use of thinners, solvents, benezene, alcohol and strong cleaning agents can damage this video game.**
5. **For best result, play the game a distance away from your television set or monitor.**
6. **Pause for 10-20 minutes after 2 or more hours of continuous game playing. This will extend the performance of your video game.**

STORY

The year is 20XX - a time of global turmoil. The entire world hangs on a knife edge thanks to the evil Dr. X, a bio-terrorist who has appeared out of nowhere to wreak havoc. His current diabolical master plan: to open the gates to the mysterious 'Other World' using the shattered pieces of the all-powered Dimensional Mirror. If he was to succeed, the world as we know it would be destroyed!

World leaders have sent their mightiest forces against Dr.X's armies, and none have returned alive. Only one man remains to battle Dr. X's forces, a man with unmatched sword skill and a name that causes all evildoers to run in fear. He is Fist Slash and he's coming to reclaim the Dimensional Mirror, destroy Dr. X and save the world from destruction!

HOW TO PLAY

Fist Slash: Of Ultimate Fury is a side-scrolling platform game designed for one player. Travel through six diverse worlds of ten stages each, defeating all of the enemy forces in your way while avoiding damage and deadly pitfalls. The tenth stage of each world houses a boss that must be defeated before you can move onto the next. Good luck, Fist Slash!

CONTROLS

Fist Slash can be played with either the keyboard or a controller.

KEYBOARD

Move Left - Left Arrow
Move Right - Right Arrow
Attack - A
Jump - S
Special - Up Arrow + A
Pause - Enter

CONTROLLER

Move Left / Right - Left Stick
Attack - X Button
Jump - A Button
Special - B Button
Pause - START Button

Fist Slash has the ability to cling to most walls and can use this to climb vertically. To cling, jump towards a wall and then press Jump again while touching it. Jump again to go higher. You cannot attack while clinging.

⚠ WARNING: DO NOT USE WITH FRONT OR REAR PROJECTION TV ⚠

Do not use a front or rear projection television with your personal computer system ("PC") and PC video games. Your projection television screen may be permanently damaged if video games with stationary scenes or patterns are played on your projection television. Similar damage may occur if you place a video game on hold or pause. If you use your projection television with PC games, Sinclair Strange will not be liable for any damage. This situation is not caused by a defect in the PC or PC games; other fixed or repetitve images may cause similar damage to a projection television. Please contact your TV manufacturer for further information.
