

BUDUKUTUA

A SIMPLE BIG ADVENTURE

BUDUKUTUA

THANK YOU! YOU HAVE JUST MADE A PERFECT CHOICE
BY SELECTING AND PURCHASING THIS QUALITY SOFT
PRODUCT.

Thank you for selecting Budukutua. In order to insure your
complete enjoyment of this game, we recommend that you read
the manual carefully and follow its instructions and suggestions.

GAME STORY

Darkness has extinguished the Three Crystals of Light, and only by reactivating them will you be able to open the portal and restore balance.

To achieve this, you must explore distant lands, learn new abilities, help others, and overcome the obstacles that stand in your way.

Take the role of an apprentice on the path to becoming the Great Master, traveling through a world full of life, challenges, and curious characters.

A simple task... yet a great adventure awaits.

HOW TO USE THE KEYBOARD

Directional arrows (left and right): Move the character

Up arrow or C: Jump

Down arrow: Action (enter, exit, interact with elements, talk)

Z: Shoot (primary fire)

X: Place bombs

A: Secondary fire

S or W: Change mask

D: Enter menu

Escape: Pause the game

HOW TO USE THE CONTROLLER

Black: Move the character / Action to interact

Green: Primary shooting

Yellow: Secondary shooting

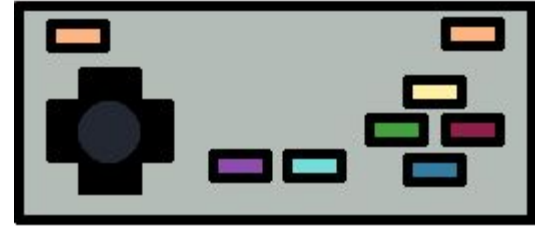

Blue: Jump

Red: Bombs

Orange: Change mask

Light Blue: Enter the menu

ELEMENTS

Use the Skull Totem to save your progress. When you start again, you'll begin from the last totem you saved at.

Use the Sun Totem to recharge your energy. Hold it down to increase your energy to the desired level.

ELEMENTS

Use the Information Totem to check your progress, secrets found, stones you possess, and your health level.

Use the crystals to travel between different villages. To use them, they must be activated.

ITEMS

The Jump Stone allows you to perform an additional jump while in the air.

Use bombs to break walls and discover new areas.

Find the keys (  ) to locate the power stones.
There are a total of 3 stones hidden throughout the world.

ITEMS

Use the hearts to increase your total health level.

To find the secret weapon, you must locate all the flowers and bring them to their graves.

SOME CHARACTERS

Talk to different characters to gather clues, receive items, and advance in your adventure.

Be cautious of the various enemies you'll encounter along the way; you can also try to avoid them.

Thank you for taking the time to go
through the instruction manual.

We hope it helps you get the most out of
your adventure.

Enjoy the game and have fun exploring
every corner of the world we've created
for you!

Thank you!
