~ How to Launch the Game ~
Double-click the "aoi" to start the game.

Aoi Shirayuki has lost his future.
With nowhere left to go, he wanders into a strange and beautiful "cursed house."

◆ All-Ages BL Horror
This game contains mild horror elements, but no intense scares.
Safe for all ages to enjoy.

◆ Simple & Easy Gameplay
Just click to progress.
No difficult controls or action elements.

◆ Estimated Play Time
Demo version: approx. 10–15 minutes
Full version (planned): around 2 hours for all routes + the True End

◆ Story
With only one month left to live, Aoi enters the cursed mansion.
But there, his purpose shifts—from death toward life.
This is a story that carefully follows his emotional struggle and growth
as he begins to fight for survival.

When the final moment arrives…
will the one standing before him be a human, a ghost, or something else entirely?

◆ Six Possible Endings

・Normal End

・Bad End

・Worst End

・Merry Bad End

・Happy End

・True End

◆ Event CG

The full version will include at least 15+ illustrations.

Some CGs are based on AI-generated images, then hand-edited and refined.
