REG PUNCH (S)

Solve problems with your fists! This is your standard attack.

STRONG PUNCH (D)

With the D key, you can punch harder for more damage, but its a bit slower.

DASH PUNCH (UP+S) OR (W)

Dash forward, ignoring silly concepts like friction and gravity. You can even do it in the air!

POGO-STRIKE (DOWN+S IN AIR)

Bounce off of your enemies to reach new heights! Don't try it on spikes, though.

EARTH BREAKER (DOWN+S)

Smash the ground! Hit it hard! This is your strongest starting attack!

You can learn new moves as you progress through the game! Now give those pirates a punching they won't forget!
