ZYTERNION
MANUAL

STORY

Zyternion was once the greatest empire in the galaxy, until its star collapsed. All that remains are its few survivors trying to evacuate. In this chaotic time, not every survivor wants you to leave without a fight. Your mission is to escape the Zyternion system at all costs. Use the abandoned Zyternion technology to your advantage.

Good luck.

HOW TO PLAY

ZYTERNION can only be played with 2-4 players. In order to be able to start the game, at least 2 players must be “ready” and have their desired controls selected. Once all players are ready, player ONE can hit their start button to start the match.

- Players will win a round when they are the last ship standing. They will be granted 1000 points.
- After 10 rounds, final points will be tallied and a winner will be selected.

Good luck.
