Focusing Cannon:

Press and hold the Alt key to Charge and release the Alt key to fire.

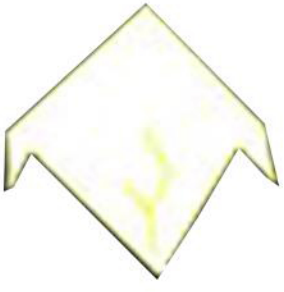

Use this cannon to damage large enemies and destroy cracked walls.

Dragon Kite:

Press and hold the Alt key near gusts of wind to glide long distences

Light Seeds:

Walk over soft patchs of earth to plant light seeds.

Then they grow in to light flowers but only in the Dark Palace.

???:

These items are only available after beating the special challenge level
